

Volume 55 Index

JANUARY-DECEMBER 1972

A

- A Steroid-Induced Infectious Complication of Rheumatoid Arthritis. Robert L. Strom, Russell Payson, George Kitzmiller, 501
- Abdominal Pain, Confusion, and Intermittent Fever in an Elderly Male. Calvin L. Strand and Robert A. Van Tassel, 67
- Actinomycosis of the Female Genital Organs. Gerhard O. Richter, Joseph H. Pratt, Donald R. Nichols and Carolyn B. Coulam, 1003
- Acute Acalculous Cholecystitis. Richard J. Howard and John P. Delaney, 549
- Acute Hyperthermia with Anesthesia. Josef K. Wang, 618
- Acute Laryngeal Trauma, Its Early Management. Lawrence W. DeSanto and Aubrey K. Brown, Jr., 328
- Acute Myocardial Infarction, 1970. Evaluation by Medical Audit in Five Minnesota Hospitals. William R. Fife., 1069
- Acute Renal Failure. Indications for Dialysis. Henry T. Smith, 245
- Addiction. T. G. Larson, 1144
- Adreno-Cortical Adenoma with Malignant Hypertension. Report of One Case. Rafael Carmena and John I. Coe, 801
- Alcoholism. R. O. Heilman, 271
- An Unusual Complication of Cystourethrography. Alexander S. Cass and Roger Vitko, 355
- Anaphylactoid Purpura with Spontaneous Intestinal Perforation. William C. DeWolf, 1121
- Anderson, Carl F.; Johnson, William J.; Woods, John E.; Sim, Franklin H.: Bilateral Hip Arthroplasty After Renal Transplantation, 1103
- Anderson, John W.: Ischemic Electrocardiographic Changes with Reversion after Removal of Diseased Gallbladders, 211
- Anderson, W. Robert Sauk, John J., Jr.; Pliego, Mario: Primary Pulmonary Fibroma, 220
- Ankle Fractures. Joe L. Nettles, John A. Elstrom and Einer W. Johnson, Jr., 833
- Anorexia Nervosa. 94-Year Old Woman Treated with Electroshock. Irving C. Bernstein, 552
- Anterior Mediastinal Teratoids. An Unusual Case of Bilateral Mediastinal Tumors. S. K. Imes and W. F. Hook, 238
- Antolak, Stanley J.: Richardson, Edward J. and Geist, Robert W.: Urinary Bladder Capacity. The Clinical Importance in Children, 100
- Aorto-Iliac Disease. Edward G. Rockwell, Jr., 430
- Aquilina, Joseph N.: Traumatic Luxation of the Testis, 449
- Arlander, Thomas; Garcia, Mario C.; Windschitl, Harold W.; Swaim, William R. and Jamshidi, Khosrow: Azulfidine Agranulocytosis with Bone Marrow, Megakaryocytosis, Histiocytosis and Plasmacytosis, 545
- Arms, Richard A.; Dines, David E. and DeRemee, Richard A.: Pulmonary Vasculitides. Importance of the Clinical and Pathologic Differentiation, 871
- Armstrong, Raymond G.; Schmitt, Henry J., Jr. and Patterson, Lewis T.: High Velocity Missiles. The Importance in Arterial Wounds and Fractures, 442
- Arthritic Hip, the: Current Concepts of Surgical Management. David S. Bradford, 309
- Austrian, Sol; Sand, Richard E.; Vaccarella, R. James and Strem, Edward L.: Bronchial Asthma. Treatment of the Acute Attack and Status Asthmaticus in Children 104
- Awad, Essam A.: Intramuscular Neurolysis for Stroke, 711

Azulfidine Agranulocytosis with Bone Marrow. Megakaryocytosis, Histiocytosis and Plasmacytosis. Khosrow Jamshidi, Thomas Arlander, Mario C. Garcia, Harold W. Windschitl and William R. Swaim, 545

B

- Barber, Donald E.: Radiation and Leukemia Mortality. Proof or Spoof, 215
- Beahrs, Oliver H. and DuBois, David D.: Management of Gastrojejunal Ulcer. A Review of 106 Cases, 899
